As a new user to our water system, we would like to give you some helpful information.

The monthly residential base rate for water is $45.00. This includes up to 10,000 gallons of water usage. If you exceed that amount the charges are as follows:

- $.50 per 1000 gallons from 10,001 to 25,000 gallons ($7.50 for the next 15,000 gallons)
- $.75 per 1000 gallons from 25,001 to 50,000 gallons ($18.75 for the next 25,000 gallons)
- $1.00 per 1000 gallons from 50,001 to 75,000 gallons ($25.00 for the next 25,000 gallons)
- $1.25 per 1000 gallons from 75,000 to 9,999,999 gallons ($31.25 for the next 25,000 gallons)

Our water charges are billed monthly. Bills are typically sent out between the 2nd and 5th of each month and payments are due on the 25th. We have several payment options. They can be made by mail to the address, put in the drop box in front of the town hall or in person during business hours. We also have an option to pay online through Payclix, for one-time or recurring payments using a credit card or electronic check. A small fee will be assessed for using this service.

To use this service, please visit payclix.com/Deweyville or call the customer service number at 1-866-729-2549. You will need to provide your account number and the amount to be charged for your water bill.

If payments are received after the due date (the 25th day of each month) or not paid in full, a $10.00 late fee will be assessed to the account.

If you have any questions or concerns, please contact us using the information listed above,
